# ABOUT US

founded in 1996

## We are

a group of professionals, with considerable experience in the field of **transport** and **national and international express shipments**.

## We provide

brokerage in partnership with the leading **national and global transport operators**. We offer consulting to help you find more the best-qualified service to meet the standards that are required of us.

## We know

that **speed** and **safety in deliveries** depend exclusively on the choice of courier, so we have selected and we continue to choose only the **best of the best**.

## We operate

from our premises in **Civitanova Marche** and **Macerata** covering the provinces of Macerata, Ancona and Ascoli Piceno. We operate in a range of industries - footwear, fashion, components, musical instruments, furniture, accessories for footwear, holy articles, paints, technological equipment, among others.

## We guarantee

**"Spediservice"** - always the ideal solution for every one of your needs or destinations and we closely track all shipments until after delivery.

# EXPRESS SHIPPING
